Nouman Khan

Software Engineer

✉ noumankhan16859@gmail.com 📞 7982234003 🌐 www.linkedin.com/in/nouman-khan-95923a256

As a passionate and dedicated software engineer, I specialize in Full-stack web development, with hands-on experience in both front-end and back-end technologies. I am skilled in HTML, CSS, JavaScript, PHP, and MySQL, and I have worked on various projects including job portals, dynamic resume builders, and event management systems. Eager to apply my skills and grow in a collaborative environment as a fresher in the tech industry.
